

## **ANATOMIC PATHOLOGIST WITH HEMATOPATHOLOGY EXPERTISE**

### **MICHAEL GARRON HOSPITAL - TORONTO EAST HEALTH NETWORK**

The Department of Laboratory Medicine at Michael Garron Hospital (MGH), Toronto East Health Network is seeking to recruit a full-time anatomic pathologist with subspecialty training in hematopathology to join our laboratory team. The successful candidate will be eligible for a clinical academic appointment at the rank of Lecturer or Assistant Professor in the Department of Laboratory Medicine and Pathobiology at the University of Toronto. Effective start date in May 2026.

The successful candidate will join a collegial team of pathologists and laboratory specialists providing surgical and cytopathology service for a wide range of clinical specialties, hematopathology service (blood smears, bone marrows and lymph nodes), on-call coverage, participation in multidisciplinary tumor board rounds, and supervision of trainees in a community academic hospital setting.

Remuneration for this position will be in accordance with the Uniform Minimum Level of Compensation (UMLC) for Pathologists in Ontario.

Potential candidates must hold an MD degree, should hold or be eligible for certification in Diagnostic and Molecular Pathology (formerly Anatomic Pathology) by the Royal College of Physicians and Surgeons of Canada, or Anatomical and Clinical Pathology by The American Board of Pathology, and hold or be eligible for licensure with the College of Physicians and Surgeons in Ontario. Hematopathology experience and/or expertise is required; hematopathology fellowship training would be considered an asset. Interest in medical leadership and laboratory management would also be considered advantageous.

**Application Instructions:** Qualified candidates are invited to apply by submitting a package including:

- A cover letter
- A current curriculum vitae
- Names and contact information of 3 referees

Inquiries and complete packages should be submitted to Dr. Pauline Henry, Chief and Program Medical Director, Department of Laboratory Medicine, at [Pauline.Henry@tehn.ca](mailto:Pauline.Henry@tehn.ca).

**Diversity Statement:** Michael Garron Hospital and the University of Toronto embrace diversity and are building a culture of belonging that increases our capacity to effectively address and serve the interests of our global community. We strongly encourage applications from Indigenous Peoples, Black and racialized persons, women, persons with disabilities, and people of diverse sexual and gender identities. We value applicants who have demonstrated a commitment to equity, diversity and inclusion and recognize that diverse perspectives, experiences, and expertise are essential to strengthening our clinical and academic mission.

**Accessibility Statement:** Michael Garron Hospital and the University of Toronto strive to be an equitable and inclusive community and proactively seek to increase diversity among our community members. Our values regarding equity and diversity are linked to our unwavering commitment to excellence in the pursuit of our clinical and academic mission. We are committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities. If you require any accommodations at any point during the application and hiring process, please contact [Pauline.Henry@tehn.ca](mailto:Pauline.Henry@tehn.ca)
