

MICHAEL GARRON HOSPITAL

STAFF POSITION

ACUTE CARE GENERAL SURGEON

Michael Garron Hospital (MGH), a division of the Toronto East Health Network (TEHN), is a vibrant community teaching hospital, affiliated with the University of Toronto, and serves one of Canada's most diverse communities. Annually, the Hospital provides care for 20,000 inpatients, has over 100,000 emergency visits, 225,000 outpatient visits and delivers nearly 3,500 babies. Michael Garron Hospital has 470 beds comprised of acute care, rehabilitation and complex continuing care beds. MGH has a closed intensive care unit and full access to diagnostic imaging (US, CT, MRI). Michael Garron Hospital has undergone a major campus wide redevelopment project, and the new and state of the art, 8-storey Ken and Marilyn Thomson Patient Care Centre recently opened in January 2023.

The Division of General Surgery at Michael Garron Hospital is searching for an **Acute Care General Surgeon** to join our Department of Surgery.

Qualified candidates must have a Medical Degree and Residency Training in General Surgery. They must be eligible for certification by the Royal College of Physicians and Surgeons of Canada and for licensure in the Province of Ontario. Preference will be given to candidates who have additional fellowship training in a subspecialty discipline of general surgery, preferably with expertise in advanced laparoscopic surgery, colorectal surgery or acute care general surgery. Candidates must have an interest in teaching medical students and surgical residents and have demonstrated a commitment to excellence in surgical education.

Preference will also be given to candidates who demonstrate experience in leadership and exceptional interprofessional skills to further the divisional and institutional goals of growth and ongoing success of the surgery program at Michael Garron Hospital.

The successful candidate will be expected to demonstrate a commitment to advance the strategic goals and vision of the Division of General Surgery. An interest in pursuing scholarly activity including clinical and health outcomes research is strongly encouraged. The successful candidate will also be expected to contribute to the teaching, supervision, and mentorship of graduate, and postgraduate students, and fellows.

The successful candidate will be a full-time member of the Division of General Surgery and participate in the general surgery call schedule. The candidate will be eligible for an appointment to the Department of Surgery at the University of Toronto at a rank commensurate with their qualification and academic achievement. S/he must demonstrate a commitment to excellence in surgical education and academic administrative involvement including participating in committees at the hospital and university level.

Michael Garron Hospital embraces Diversity and is building a culture of belonging that increases our capacity to effectively address and serve the interests of our global community. We strongly encourage applications from Indigenous Peoples, Black and racialized persons, women, persons with disabilities, and people of diverse sexual and gender identities. We value applicants who have demonstrated a commitment to equity, diversity and inclusion and recognize that diverse perspectives, experiences, and expertise are essential to strengthening our academic mission.

MGH strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission. MGH is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities.

MGH is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities.

Select applicants will be invited for an interview. The anticipated starting date is on or before January 1, 2025

Applications must include a letter of interest, curriculum vitae and three letters of reference to be received by November 15, 2024 to:
