The Family Practice Obstetrics Group at Michael Garron Hospital (MGH) are a vibrant group of family doctors who consider themselves privileged to be involved with your pregnancy and delivery. We provide prenatal care across multiple clinics in East York.

You have been referred to one of our clinics. If you do not hear from us within 2 weeks, please contact us directly. Please reach out to the clinic to which you were referred.

You may also submit an online intake form and a team member will contact you:
